# SERVICES BROCHURE SUMMER/AUTUMN 2022

Hello! My name is James Tunnell and I run NurseryNook Training & Consultancy. I specialise in supporting adults to create Provision that is Purposeful and Creative.

If you would like to work with me to transform your provision then get in touch.

# WHAT I CAN OFFER YOU...

I now offer a range of services to support you in your setting. These services are appropriate regardless of your role or setting type. If you're not sure if we'd be a good match then drop me an email and we can discuss your needs.

## TRAINING

I now offer training in-person again. I can come and deliver training on a range of topics that match the needs of your team. I specialise in Loose Parts, Purposeful Provision and Phase 1 Phonics however I can create bespoke courses to suit any setting.

I also offer some of these sessions online via Zoom or my network. Drop me an email to find out more.

## IN-THE-MOMENT COACHING

Coaching is all about working alongside practitioners to recognise the strengths and weaknesses in their practice. My coaching is 'in-the-moment' where I work alongside practitioners to change their practice in real time. I provide a complete report afterwards with next steps for each practitioner.

# CONSULTANCY

Coaching is all about guiding staff towards excellent practice but it requires some independent study. Consultancy on the other hand is about giving direct advice with actionable points. This is ideal for settings hoping to make fast-paced meaningful changes. I work alongside practitioners and/or leaders to create a plan for improvement that will have significant impact.

# DROP IN ZOOM SUPPORT

My drop in zoom support is an hour set aside where you can ask for help on a range of topics, get feedback and set targets. Each practitioner receives a report afterwards with unlimited follow up sessions.

This is popular for those wanting ad-hoc advice around specific issues within their provision or practice.

# SIMPLIFIED PRICING

I have simplified my prices so I now charge the same price for all in-person services depending on the amount of time you'd like to book me for. Those in the amber areas below will need to pay travel of £75. If you're in a red area please email to discuss your needs.
